LOCAL MATTERS.

WEATHER PROBABILITIES.—For this section fair to night and Saturday; variable winds becoming southerly.

SCHOOL BOARD.—At the monthly meeting of the City School Board, held last night, there were present Messrs. Thompson, Aitchison, Marbury, Darley, Carne, Bryant, Harrison and Sweeney. In the absence of the chairman Mr. Thompson presided.

Mr. Aitchison reported that the front fence of Washington building lot needed repairs, and recommended that an iron fence be placed about that lot. The matter was referred to the committee on school houses and furniture to report the cost of an iron or other kind of fence, and also of beautifying the grounds around Washington building. Mr. Aitchison also reported that during a recent wind storm the ventilating stack at Peabody building and some gutters had been blown down and the necessary repairs had been made. Some bills for supplies were ordered to be paid.

A communication from Mrs. S. Y. McDaniel, principal of Lee school, requesting the board to purchase a Webster's Unabridged Dictionary for the use of the girls of her school was received and the request granted.

A communication was received from Rev. R. L. Carne offering to sell for \$500 the chemical and philosophical apparatus, cases, cabinet of minerals (a large portion of Benjamin Halliwell's), &c., used in the late St. John's Academy. The writer stated that if the school board would purchase the above named apparatus he would give to the board the military outfit of the late St. John's Academy, consisting of thirty-five rifles, knapsacks, tents, camp outfit, &c. The matter was referred to the joint committees of finance and studies and discipline.

Mr. Carne reported that Mr. Vincent, on account of ill health, had requested to be relieved of the duties of chairman of the committee on schoolhouses and furniture. The matter was left with that committee.

PERSONAL.—Invitations have been issued to a reception to be given by Mr. and Mrs. Edward Lonsdale Daingerfield and Miss Sara Vowell Daingerfield, at Malvern, their country place, near this city, on Tuesday evening, May 18, at 8:30 o'clock. Enclosed are cards of Miss Cornelia Boykin and Miss Mary Charlton Stokes, of Baltimore, in whose honor the reception is given.

Mr. R. W. Joyce has gone to Atlantic City and Philadelphia, N. J., on business for the civil service commission.

Rev. Thomas Semmes, formerly of this city, but now of Waltham, Richmond county, has accepted the call extended to him by St. Andrews Episcopal Church, of Richmond, to become its rector. Mr. Semmes succeeds the late Dr. Pike Powers. Mr. P. H. Baskerville, registrar of the church, yesterday received a letter from Mr. Semmes, stating that he highly appreciated the honor the vestry of the church had conferred upon him, and formally accepting the same. He intimated that he would commence his work there in about a couple of weeks.

Dr. D. N. Rust has come to Old Point to attend the tri-union meeting of the Washington, Maryland, and Virginia Dental Association. He will return Sunday morning.

Miss Anna Leadbeater left here yesterday evening for Petersburg to visit her sister, Mrs. John Ridout. Superintendent of Schools Kemper has returned from Richmond where he went to attend the meeting of the county and city superintendents of schools.

FIRE COMPANY MEETING.—The regular monthly meeting of the Columbia Fire Company was held last night, President W. A. Smoot in the chair. The invitation from the Virginia State Firemen's Association to attend the convention at Winchester in July was declined with thanks. An invitation was received from the Maryland State Firemen's Association to attend their fifth annual meeting, to be held in Annapolis next month, and was referred to a committee to ascertain the expenses of the trip. An invitation was received from the Hydrant Fire Company to attend the funeral of their late member, Herbert Price, on Sunday evening. The invitation was accepted, and it was decided to attend in a body.

DELIGHTFUL PARTY.—There was a masked party given last night at the residence of Miss Louie Payne, on Duke street, and a very pleasant evening was spent. Music and games were kept up until a late hour. Among those present were Misses Grace and Rosa Green, Bettie Deaton, R. Cook, E. Hutchins, G. Lee, G. Meeks, C. Hanback, E. Nalls, E. Lyles, F. Millington, L. Faulkner, O. Swain, J. Lyles, Mrs. L. Newman, Mrs. Jas. Lyles and Mrs. Wm. Lyles; Messrs. John Lucas, Tom Violett, B. Milstead, M. Parker, J. Webster, T. Chauncey, G. Reynolds, L. Dudley, E. Walker, A. Nalls, J. Reynolds, C. Haney, and F. Campbell, of Washington.

POLICE COURT.—The following cases were disposed of last night: Charles Hodge and James Lightfoot, both colored, charged with disorderly conduct, were fined \$25 each.

Mary Smith, colored, charged with drunken and disorderly conduct, was fined \$25 and in default of payment sent to the work house.

There were no cases for trial this morning.

Night Report.—Last night was clear and mild until half-past one o'clock when it became cloudy. Three lodgers were at the station house.

THE NATIONAL CEMETERY. always in a fine condition, has undergone its usual spring metamorphosis, preparatory to Decoration Day. Captain J. V. Davis, the genial superintendent, has been working assiduously in rearranging many things in the cemetery, and the taste he has displayed is commendable. It has ever been the beauty spot of this vicinity, and this year it presents a more attractive appearance than ever. Congressman Mahon, of Pennsylvania, will deliver the oration on Decoration Day.

FISH.—The fishing season is drawing to a close and the receipts are light. Herring sold to-day at \$1.50 per hundred and shad at \$1.25 per hundred.

A man, a woman and two children who have been going about the city for the past few days asking aid are believed to be impostors.

THE CONDEMNED PRISONER.—James Lewis, the colored man now in the Fairfax jail under sentence of death, and who is to be hung on Friday, June 4th, spends most of his time sleeping or lying down. His wife, who lives in this city, has not visited him, and although he has written to her twice, she did not answer until Wednesday, when she wrote that she would go to see him on Saturday next. He has had no communication from his father, and only a postal card from his mother, stating that she could do nothing for him and could not go to see him. When asked if he wished to see a minister of the gospel, he replied, after some deliberation, "Well, I don't know. I wouldn't mind seeing one," but he wouldn't say whether he preferred a white or colored minister, or one of any particular denomination. He thinks he ought to have a new trial, but says if the other trial suits the people it suits him, because he can't help himself. It having been stated by a colored woman in this city that Lewis had previously served a term in the penitentiary for assault committed in one of the Northern Neck counties, an investigation followed which did not substantiate the assertion. Many persons have applied for permission to see Lewis hung, but the law limits the number who are to be present.

WILL PROBATED.—In the Corporation Court to-day the will of the late Mr. Henry Green was admitted to probate. Mr. Green left \$2,000 to J. E. Barr, of Philadelphia, in trust, for the benefit of his nephew, L. R. A. B. on. To his sister, Mrs. L. L. Britton, he left one-half interest in his house in Camden, N. J. The residue of his estate he left to Mr. F. J. Burr in trust for his wife during her life or widowhood, and at her death the estate goes to the nephews and nieces of the deceased. Mrs. Green is left in her own right all the effects in the residence of the deceased on north Washington street, and it is understood that \$8,000 in life insurance policies also stand in her name. Mrs. S. V. Green, the widow, and Mr. F. J. Burr are named as executors, and to-day they gave bond, without security, in the sum of \$50,000. The will was drawn March 12, 1897. Mr. Green owned property in this city and Washington and also a house in Camden. His whole estate is believed to be worth about \$75,000.

DIVORCE.—In the Corporation Court yesterday in the case of Margaret L. Dickenson vs. James H. Dickenson a decree of divorce from the bonds of matrimony was granted the plaintiff, who was given the control of the children. The ground of the divorce was adultery with one Mary Ricker, of Washington, the husband having been convicted in the Supreme Court of the District of Columbia of adultery.

MONETARY AND COMMERCIAL.

Business generally has been quiet during the week. Grain has been a shade firmer, but rates are light. The fishing season is drawing to a close and the receipts are light. In New York yesterday money on call was easier at 1 1/4 to 1 1/2 per cent, last loan 1 1/4, closed at 1 1/4 to 1 1/2 per cent. Prime mercantile paper 3 1/4 per cent. In Baltimore money has been in slow demand and call loans were easy at 3 1/4 per cent, while bank discounts and accommodations were unchanged at 4 1/2 per cent. In State bonds Virginia Centuries were in active request and strong, advancing to 6 1/2 on sales of \$45,500. But little is doing in local shares.

NEW YORK, May 7.—The marked heaviness in the stock market during the early hour led to sympathetic declines in the general market except for Northern Pacific which moved up sharply on brisk inquiry. Business was very light and was confined to the more speculative issues.
